WHISKY

WINE

MARTINI

The sconces from our HITO Collection quenches your thirst for design. Each fixture is inspired by the glassware profile for a particular drink: Martinis, Old Fashioned, High Balls, Brandy/ Cognac Bowls, and Wine.

An LED bulb embedded in a black anodized aluminum base gives off a soft glow through the glass shade. Its small footprint makes this an easy and elegant sconce to include in any environment. Cheers to that!

SIGNAL

Designer | VISO Design Studio

The Signal collection features fixtures with a Fresnel-inspired lens made from borosilicate glass, similar to those found in lighthouses and searchlights.

This collection is a beautiful expression of simple design, highlighted by the succession of concentric rings that draws you in and soothes you with its minimalist design.

Two different sized housing, available in Glossy Black and Brushed Brass, provide different concentration and angles of light. This piece lights a distinctive path in any application: indoor or outdoor.
