nordlux[®] Australia

Danish-design luminaires for the people since 1977

Nordlux Australia proudly offers lighting solutions for indoor, outdoor and smart home applications.

Scandinavian design is a prominent design movement that emerged in the early 20th century in Nordic countries of Sweden, Denmark, Finland, Norway and Iceland. Beloved for its functionality, simplicity, craftsmanship and connection to the natural organic environment, Nordic design has been influencing architects and interior designers for almost a century. Offering plenty of room for self-expression, the Nordic style also suits modern living spaces that require function and adaptable products that stand the test of time. Nordlux pays homage to the legendary pioneers of Scandinavian design while offering a fresh twist on the iconic Nordic style. Our products offer an easy way to introduce exclusivity and sophistication in your living space while effortlessly evoking a sense of coziness and calmness.

One of Europe's
largest lighting brands

Leading quality &
exceptional value

At Nordlux Australia, we have a thorough understanding of the specific requirements of Australian conditions and have been supplying quality lighting at competitive prices to the Australian market for over 10 years.

Designed For Seaside

Nature is beautiful - but it can also be rough. Crashing waves, wind, salt and especially sand can be a challenge for your home and your outdoor lighting.

For Nordlux, this beautiful but harsh nature and weather is part of everyday life. We therefore strive to produce lamps created from natural materials which are also resistant and durable, year after year, in relentless weather and nature.

Nordlux offers a 15-year guarantee on all outdoor lamps in galvanized steel, corten, copper and brass. This guarantee applies to extensive corrosion in the form of holes in the metal caused by rust.

We are also proud to offer an extensive range of painted outdoor lighting in our unique “Designed for Seaside” coating, which has an unprecedented 10-year guarantee on surface deterioration.

10-year limited warranty

We are proud to offer an extensive range of outdoor lighting in our unique “Designed for Seaside” coating, which has an unprecedented 10-year warranty on surface deterioration.

Find some of our most popular models and our latest designs in a colour that suits your home.

The warranty covers significant deterioration of a light’s surface over time.

Painted lamps for coastal areas

Seaside anthracite

Seaside brown metallic

15-year limited warranty

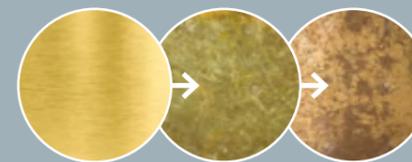

Our seaside collection is made from durable and natural materials which matures beautifully. Nordlux offers a 15-year warranty on all outdoor lamps in galvanized steel, copper, corten and brass.

This warranty applies to extensive corrosion in the form of holes in the metal caused by rust. The warranty is subject to presentation of receipt.

There is no warranty on components which have been affected by wear and tear or mistreatment of the lights.

Summary

Pontio is a series of outdoor lights with a streamlined, architectural design by Danish design duo Says Who. The geometric shape adds modern yet timeless style to your home, while the oblique shade provides a unique and interesting look from all angles. The large, illuminated plate is the perfect way to highlight the residents' house number or names.

Made from durable galvanized material that is well suited for harsh weather.

Summary

Tin is a stylish and modern outdoor wall light in a streamlined design – a gorgeous outdoor light for the front door, terrace or near the carport. The lamp has a downward facing light that creates a beautiful and decorative effect.

Made from durable galvanized material that is well suited for harsh weather.

Venø Wall Copper
10600625

Summary

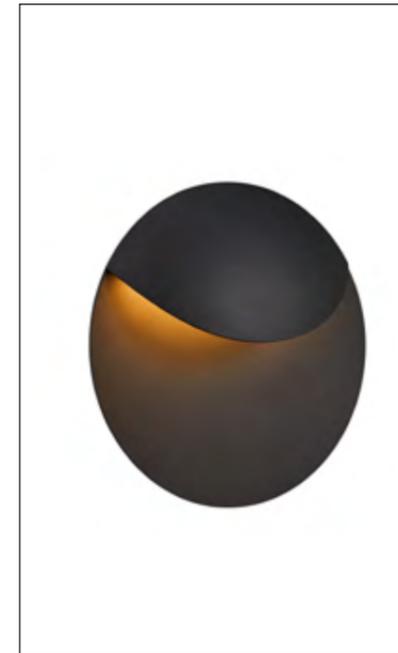

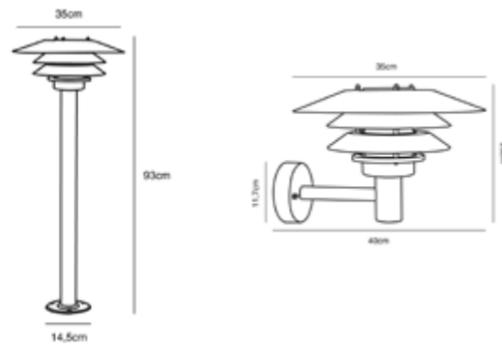

The Venø series is elegant and timeless in its design. The light is diffused through the three shades for a soft and pleasant lighting pattern. It is possible to purchase a base for pillar lighting appropriate for this product.

Copper is a sturdy and weather-resistant material, making the lamp suitable for harsh coastal areas. Copper will also become more beautiful with time.

Summary

The Arki series by Danish designer Bønnelycke MDD is characterised by its beautiful dome-like shade and minimalist, clean lines inspired by the classic architect lamp. Arki beautifully balances simplicity with sophistication while emitting the perfect light for your entrance, driveway, terrace or other outdoor space.

Made from durable galvanized steel that is well suited for harsh weather.

Agger Wall Sensor Galvanised:
74501031

Agger Garden Galvanised:
74528031

Summary

The Agger wall light – a traditional outdoor light in galvanised steel. Suitable for energy-saving bulbs or LED bulbs. The galvanised finish makes the light fixture resistant to harsh climates. We recommend light fixtures in galvanised steel for coastal areas.
